- US Embassy, Public Affairs Section

Country Statistics	2006	2007
Number of students in the US:	369	413

Bosnia and Herzegovina

Advising Center Network

The SUS BiH – US Educational Advising Center was established in 2005 with the cooperation of the Public Affairs Section of the US Embassy and SUS BiH (World University Service, Bosnia and Herzegovina). The Center's mission is to provide accurate, comprehensive, current, and unbiased information on educational opportunities in the US for students from B&H. The EducationUSA adviser offers group and individual advising for the undergraduate and graduate level as well as pre-departure orientations and outreach programs. Students have free access to the resource library and internet. The center provides certified TOEFL, SAT and GRE administration together with assistance for test registration.

Recent Trends: US Study ↑ 11.9%

- Significant increase in US student enrollment compared to 2006 (11.9%).
- Fields of study most inquired: economics, humanities, computer science, engineering.
- Common sports for student athletes: soccer, basketball, tennis and volleyball.

Upcoming Events 2008-2009

EducationUSA will organize a series of outreach and advising tours throughout the country to inform the general public about US study opportunities, as well as to develop partnerships with high school and college representatives, local authorities, and the media.

Partnering with EducationUSA Bosnia and Herzegovina

US international education experts are welcome to contact the educational advisers in Bosnia and Herzegovina to discuss their involvement in upcoming EducationUSA events/projects.
